Everyone knows how painful lawsuits are. They're time-consuming, energy-consuming, distracting and expensive. Here's a dirty little secret that every lawyer knows: most business lawsuits and investigations, or exposure from them for damages, fines and expenses, are entirely preventable if a company follows some simple pre-emptive steps. This seminar by Alex Gertsburg, Founder of The Gertsburg Law Firm Co., LPA, and CoverMySix® is intended to pass along his proven strategies for saving companies boat-loads of money both inside and outside the courts.
